

INTERNATIONAL STUDENT CERTIFICATION OF FINANCES

All applicants who are not U.S. citizens and require student visa sponsorship from NEC are required to submit proof of full funding before an I-20 (for application to receive an F-1 student visa) will be issued. The total amount of support should equal at least \$52,250 (\$49,175 for Graduate Diploma) in U.S. dollars, the projected expenses for the 2011-2012 academic year. Certification of finances can come from several different sources including personal or family funds, foundation grants or scholarships, and/or scholarship assistance from NEC. Verification (usually in the form of a bank statement) is required for all funds.

Please return this form and all supporting information to the Admissions Office no later than May 15th, 2011 Failure to return these forms will result in a delay in processing your I-20- form.

Directions: Applicants should complete the Sources of Funding section, listing personal funds to be used for your study at NEC, along with the name of each sponsor and the total amount of support in U.S. dollars. Each sponsor should complete the Letter of Support section and provide bank verification of funds. This form may be duplicated for use by additional sponsors.
