## 2011-2012 Scholarship Acceptance Form

By agreement of the members of the National Association of Schools of Music, students who are offered any financial aid where merit is considered must accept the offer in writing. Your scholarship award, as indicated on your award letter, reflects both departmental evaluation and, in most cases, financial need. Please read the following statement carefully, as it includes the requirements you must meet in order to receive the scholarship assistance we have offered you.

I accept the New England Conservatory of Music scholarship offered to me. I understand that this scholarship requires me to

1. Register full time as a student in my chosen degree program.
2. Demonstrate satisfactory academic progress towards completing a degree program, as outlined in the New England Conservatory Academic Catalog.
3. Enroll, and successfully participate, in performance ensembles compatible with my areas of performance concentration, as required by my degree program and outlined in the New England Conservatory Academic Catalog.

I also understand that, in accepting this scholarship from New England Conservatory of Music, there is a mutual commitment between me and the Conservatory. Therefore, I agree that I will not consider any other offer from an institutional member of the National Association of Schools of Music for the academic year 2011-2012.
