*I want to thank my family,
who has supported me unconditionally and done everything
to help me get where I am today.
I love you all and your support means everything.*

*I also owe so much credit to my incredible teachers,
Don Palma, Anthony Coleman, Ted Reichman, Carla Kihlstedt,
Billy Hart, Cecil McBee, Dominique Eade, and Jason Moran, Magdalena Abrego;
and my academic teachers, Stratis Minakakis, Katya Popova, and Bert Van Herck,
among so many others.
You have all changed me in innumerable ways as an artist and a person.*

*I want to thank my partner, Julian,
for being my rock for nearly the last two years,
and all my dear friends and roommates;
you're the best friends I could have asked for.
I can't put my love and gratitude for you all into words.*
