I would like to give special thanks to my dear professor and mentor, Eli Epstein.

It was a great fortune and an honor for me to study with you.

Words cannot express how much your teachings have inspired me throughout the years.

I would also like to thank my family, friends, and past teachers for all of their love and support, without them, none of this would be reality for me.

Especially, I am so grateful to my parents for making everything possible.

Thank you all so much for coming or watching the livestream today.

I sincerely hope you enjoy it :)
