*Thank you to all the friends who inspired me  
to continue making music and pursuing my dreams!*

*Thank you to Mom, Dad, Heidi, George, Frank, and Kathryn  
for all your underrated help behind the scenes.*

*Regardless if it was driving me to lessons,  
painstakingly helping me prepare my repertoire,  
or even just being there to support me or hang out on a Friday,  
all your efforts truly enabled me to perform at my best over the years!*

*Finally, thank you to Ms. Byun for a decade of lessons  
that reached beyond the studio to help me grow tremendously as a human being.*

*From my first Chopin Waltz to this final Schubert Sonata,  
I have truly appreciated everything from your unrelenting standards  
to your witty humor—it has been a huge honor to learn from you!*
