

## **Academic Mentor - Boston Partners in Education – Federal Work Study Community Service**

No. of Jobs Available:	1
Supervisor:	Emily Cox, Assistant Director of Admissions and Financial Aid
Contact:	emily.cox@necmusic.edu

**Job Summary:** Boston Partners is seeking academic mentors for their program with the Boston Public Schools. While Boston Partners works with volunteers as well, this is a paid opportunity. Mentoring was online for 2020-2021 and decisions about whether to continue online programs or resume in-person are still pending for 2021-2022.

Our mission at Boston Partners in Education is to enhance the academic achievement and nurture the personal growth of Boston's public school students by providing them with focused, individualized, in-school academic mentoring.

This is an update to the existing posting, not a new posting

Position starts on 10/1/2021 and this is an on-campus position.

14 per hour.

### **Qualifications:**

Our programs require our mentors to commit 1 hour per week - within school hours (usually 9am - 3pm) - for the duration of the school year. Our application process is simple and tailored to each individual's preferences.

**How to Apply:** Fill out Boston Partners' online application:  
<https://bostonpartners.org/get-involved/volunteer-application/>

They will contact you for an interview before matching you with a classroom or student. Please also contact Emily Cox (emily.cox@necmusic.edu).
