PROGRAM

Frank Carlberg

Sphere

soloists: Cooper Malanowski, trombone
Annalise Stalls, alto saxophone

This piece draws inspiration from Thelonious Monk's *Thelonious* and is built around a single pitch (Bb), just like Monk's classic.

Hunter McKay

Metallic Organisms

soloists: Cooper Malanowski, trombone
Nadav Brenner, guitar

Metallic Organisms is an exploration of the surprisingly hazy boundary between natural and artificial.

Cindy Yin

A Children's Song

soloists: Logan From, tenor saxophone
Nadav Brenner, guitar

The piece builds around a folk tune that I heard when I was a kid. I want to share a little piece of innocence inside me. I want to dedicate this piece to my childhood best friends Lily and Tina. They are my inspiration.

Cindy Yin

Assertion

soloists: Cooper Malanowski, trombone
Annalise Stalls, alto saxophone
Richard Stanmeyer, trumpet

This piece is based on a tune which I wrote originally for a small ensemble. I want to expand my big band repertoire and explore new sounds in my music. Ideas come to me after listening to Jim McNeely, Brian Dickson, Herbie Hancock and Maria Schneider.
