**Job Responsibilities and Duties:**

Students who participate as Music for Food (MFF) Interns principally work with the Co-Directors to present MFF’s series of concerts in Boston, learning the details of community engagement initiatives that build entrepreneurial skills. Over the course of the year, interns are assigned a clear rotation of tasks and skills needed to create a community-based concert series. This hands-on experience demonstrates how music can respond to and address social problems. Such experience provides students after graduation with a foundation of knowledge to design their own community-based programs.

**Ideal Candidates Are:**

- Communicative
- Responsive
- Flexible
- Positive
- Collaborative
- Adaptive, with a strong dedication to serving their communities with music.

The position is compensated at $15 per hour.

The required start date is 09/10/2023.

**How to Apply:** Email admin@musicforfood.net with your statement of interest in this position.

**APPLICATION DUE DATE:** June 5, 2023
