2020 Summer Oboe Seminar Scholarship Application Guidelines

Scholarship amounts are awarded on the basis of your financial situation as reported, and other considerations. Students who receive scholarship are expected to maintain student standing and attendance at a high level. Violation of these policies may result in a loss of scholarship.

Scholarship decisions are made after the student has completed the placement/audition process.

Because our scholarship funds are limited, we request that you register as soon as possible. If your circumstances change and you find that you cannot attend in June, we would appreciate hearing from you as soon as possible.

Please note: a separate application must be completed for each student in a family.

Deadline for scholarship applications is March 1, 2020.

Applications submitted after the above deadline will also be considered. However, please understand that most of our limited scholarship funds are distributed shortly after the priority and secondary deadlines.

Please be sure and complete both sections of this application, including the personal statement. Please email this form to Anne Marie Gabriel at annemarie.gabriele@necmusic.edu or mail to:
